

ABOUT OUR COVER

behind the scenes at our shoot

So who were the pros who helped us put it together? Well, **Sandi Fellman** took these amazing photos, **Noah Hatton** created the chic updo, and **Wei Lang** did our model's makeup. **Annabet Duvall** styled all of the accessories, and we have **Chestnuts in the Tuilleries** to thank for the gorgeous bouquet!

we started with platinum, diamond and aquamarine earrings by Stephen Russell (\$35,000).

then we tried a veil...

but liked this jeweled comb by Tigertilly Jewelry (\$100) better.

WE SAW IT ON THE RUNWAY FIRST! MARCHESA GOWN \$6,995
